Preservation, Restoration, Education and Recreation

**DATE:** August 31, 2015

**MEMO TO:** Bonnie Thomson Carter, Chair

Planning and Restoration Committee

**FROM:** Randall L. Seebach, Director

Planning and Land Preservation

**SUBJECT:** Approve of Revised Concept Plan for Fort Sheridan Forest Preserve

**RECOMMENDATION:** Recommend approval of Revised Concept Plan for Fort Sheridan Forest Preserve, and permission to proceed with preparation of Final Master Plan.

BACKGROUND: In March, 2015, the Planning and Restoration Committee reviewed two concept plans that explored a wide range of ideas for public access and natural resource restoration improvements at Fort Sheridan Forest Preserve. After an extensive review and discussion, the Committee authorized staff to schedule the second Public Open House and provide the public with the opportunity to view and provide input on the Concept Plans. Approximately 240 people attended the Open House on April 8, 2015. In addition to the comments received from the Open House, the District continued to receive written comments via multiple written communication methods including an on-line forum, emails and letters. More than 500 public comments were received in response to the Concept Plans that were presented in March. All comments were compiled into a Public Involvement Booklet that was distributed to the Committee on July 6, 2015.

During the past few months, District staff has collected additional data on visitor and parking lot use patterns at Fort Sheridan Forest Preserve to assist with the development of a revised concept plan. After a thorough review of the additional survey data and comments received from the public, Commissioners, staff and partners, staff was able to prepare a revised concept plan that best represents the District's core mission and is consistent with the District's Strategic Plan.

Staff is seeking approval of the Revised Concept Plan and permission to proceed with the development of a Final Master Plan and cost estimate.

**REASON FOR RECOMMENDATION:** Committee approval is required in accordance with District policy.

**REVIEW BY OTHERS:** Executive Director, Chief Operations Officer

FINANCIAL DATA: No financial impact at this time.

**PRESENTER:** Randall L. Seebach

Recommend approval of Revised Concept Plan for Fort Sheridan Forest Preserve, and permission to proceed with preparation of Final Master Plan.
